

Attention, Tompkins Artists!

Plans are underway for the publication of our annual Tompkins Elementary School Yearbook for 2016-2017, and **YOU** can help!

All students are invited to submit their original artwork in a contest to choose this year's yearbook cover.

All artwork must be submitted on an 8 1/2 X 11 sheet of white paper, and **CAN BE IN FULL COLOR OR BLACK AND WHITE** (use pen or markers, not pencil or crayons). Be creative, but remember that the winning entry will be the one that best depicts some aspect of Tompkins Tigers R.O.A.R.'ing. Don't forget to write your name on your entry. You are allowed to submit more than one entry.

All artwork submissions must be turned in to the Tompkins Library no later than Friday, April 28th in order to be considered for the yearbook cover contest.

The 1st and 2nd place winners will get to see their artwork displayed on the cover of this year's yearbook for all to see! All other entries will be included in the yearbook as well.
