Charlie had the experimental operation to increase his intelligence. As a result, he has begun to experience more emotions.
Select the most important change you see in Charlie thus far and elaborate on it in a paragraph.

• **Create an opinion statement** from your effect map.

• **Clarify** the meaning of your idea

• **Exemplify** with a specific example from the text (cite progress report & quote evidence from the text)

• **Explain the significance** of your evidence with at least 2 TMM’s. . (This clearly demonstrates/Clearly this shows/This is important because)

• **Use appropriate transitions** for each.
