Because

As a result,

Walt Disney's film, *Remember the Titans* changed.
Because teammates were willing to sacrifice old ways of thinking, the entire team changed from divided to united and perfection was achieved. Teammates were willing to sacrifice old ways of thinking. As a result, the entire team changed from divided to united and perfection was achieved. Teammates were willing to sacrifice old ways of thinking; consequently, the entire team changed from divided to united and perfection was achieved.

Walt Disney’s film, Remember the Titans

As a result, therefore, for this reason, as a result, consequently, this resulted in; thus, hence,
