Develop a Plan for Support

Reason #1-

Reason #2-

Brainstorm everything that could possibly be used to support your opinion/claim.

Strategies I can Use:
- Examples
- Scenario
- Data gathered from research
- Reliable testimonials
- Anecdotes or stories
- Defining terms
- Compare/contrast
- Evaluating causes and reasons
- Examining effects and consequences
- History related to the issue
- Addressing opposition through counter-argument

Minimum of 3 articles
May use “SOS” and TED Talk
Explain the “bystander effect” and agree or disagree with the idea that social media will contribute to an individual’s lack of concern or involvement with others.

**Create a sense of community/like-minded people**

**Gives power and control to the individual**

**Disagree**

**Strategies I can Use:**
- Examples
- Scenario
- Data gathered from research
- Reliable testimonials
- Anecdotes or stories
- Defining terms
- Compare/contrast
- Evaluating causes and reasons
- Examining effects and consequences
- History related to the issue
- Addressing opposition through counter-argument

**May use “SOS” and TED Talk**
Explain the “bystander effect” and agree or disagree with the idea that social media will contribute to an individual’s lack of concern or involvement with others.

- Creates false connections
  - Bond/cohesiveness of “friends” on social media is weak – virtual reality
  - Article 3: “A group which shares bonds between its member is more likely to offer help over one with weak bonds.”
- Able to diffuse responsibility to others
