November 2015

A Message from the Dean

We are now in the homeward stretch to finishing the first semester. Check to make sure your child is keeping up in all of his classes so that he is well-prepared for finals in December. Remind your child to take notes regularly as those can be used on all tests. And also please remember to give us a call ahead of time if your child is coming in to work so that we can assure all students receive the attention and computer time they need.

Ms. Hoffmann

Let's Jazz Up The Way We Take Notes!

A great way for middle school and high school students to take notes is by using the **Cornell Note Taking Format**. Cornell Notes will help you remember what you study, prepare you for tests, and can be used when taking a test at our office. Cornell Notes has areas where the student writes important facts, main ideas, summary of what the chapter is about, and any key phrases. Note taking is an important habit to form when reading to help a student understand the material presented. We have copies of the Cornell Notes format in the office. Let's give it a try! Mrs. Anderson would love to help you if you have any questions.

MIDDLE SCHOOL CORNER

Robotics Team- every school day, 2:30-4:30, JMS

Science Olympiads- Wednesdays, 2:30-4:30, JMS

11/18 PTO meeting 12 — 1 pm at the JMS office
