#1 Tehachapi Independent Learning Academy

October 2015

## A Message from the Dean

The school year is well on its way, with the first round of progress reports already behind us. The end of Quarter 1 is fast approaching; all assignments are due October 9th for this grading period. Parents and Guardians, please remember to accurately log all of the time your student spends on schoolwork each week, and sign at the bottom. Turn these in each week at your regular appointment. I always look forward to seeing you each week and encourage you to come in more often. If you have a question, comment, or just want your child to get some quiet studying done, come on in.

*Ms. Hoffmann*

## We are here for you.

- We are open from 7:30 to 5:00 Monday through Friday.
- We have brand new computers for student use.
- Additional, highly qualified, subject-specific teachers will be available starting in October for high school students. They will have open office hours in the afternoons. More information to come!

### What do you like best about the Independent Learning Academy?

*"...it gives you more control over your life/education."*

*"Everything. I love how supportive my teachers are. You are all so lovely."*

*"There is always help offered for homework. The teachers are willing to sit and go over any trouble I had on homework."*

## MIDDLE SCHOOL CORNER

Are you a middle school student looking to join a club at JMS? The Robotics Club and the Science Olympiad Team are looking for new members. Call JMS for more information.
