As a student in this classroom, in order to make our class room a **positive learning environment** for all, I promise to follow the following **rules**:

1. **Be on time and seated** when the bell rings. **Remain seated** throughout the class (if not, the student will receive a detention.)
2. **Do not chew gum, eat food, or drink anything other than water** (if so, the student will receive a detention.)
3. Never use a **cell phone or other electronic device in class** (if so, the device will be taken to the office, and that student will receive a detention.)
4. Take off **hats and sunglasses** when entering the class room.
5. **No note writing or passing of notes** (if so, notes will be taken by the teacher, and the students involved will receive detention.)
6. **No cussing or profanity** (if so, immediate detention.)
7. Keep the room neat. **No writing in the books or on the desks.**
8. **No copying** off of anyone else's paper or anyone else's test.
9. **Bring all materials to class**, especially pencils and Algebra assignments.
10. Make the most of your class time. **Work until the teacher tells you that it is time to pack up.**
11. Follow the **TUSD disciplinary rules.**

\*\*\* For minor infractions (i.e. inappropriate talking), students will be warned and will have to **stay after class for one minute**. If that student continues to break a rule, student will receive a **detention**. If the student is **unruly**, he or she will immediately be **sent to the office with a discipline referral**.
